And to top it off, it's FREE!

Please wear appropriate clothing and footwear based on the weather. This program will take place within a trail-less area. The foray will only be cancelled in the event of a severe weather warning.

<u>Directions:</u> From the entrance to McCormick's Creek State Park take Hwy. 46 west through Spencer to the intersection of Hwy. 46 and US 231 (Wendy's and Burger King) take US 231 south 3 miles to Hancock School Rd. (200W,) then turn right on Hancock School Rd. (200W.) Take this road 0.6 miles to the access lane into the SWCD demonstration forest.

Field day sponsors:

Owen County Soil & Water Conservation District

IDNR-Division of Forestry

The Indiana Demonstration Forest program highlights private landowners who demonstrate exemplary forest management practices. With the assistance of foresters and other natural resource professionals, we believe landowners teaching and sharing their experiences with other landowners will lead to scientific management of many more forested acres throughout Indiana.
